Heritage Day at Quarry Heights Primary School

WHAT'S HAPPENING!!

These past few weeks have been full of challenges but in the midst we have seen God's hand. On Aug. 15th David was hijacked at gunpoint while assisting in Quarry Heights. We praise God that no one was injured and in the end the vehicle and some of the possessions were recovered. Our Avanza sustained too much damage and insurance decided it was unreparable. We are still waiting on a settlement before it can be replaced. In the meantime we are grateful that our little Charade has been running well and managing with all the loads!!

Today marks the beginning of a new season for us though as we finally have a bakkie (TRUCK)!!! Yes that is right!!! Mission Thando Canada has purchased a Ford Bantam. It is already off and running picking up its first load from bread ahead as well as a load of soup mix from the container ministry. Following all that he will be collecting a load of porridge!!! What a blessing to have a bakkie!!! THANKS TO ALL THOSE WHO GAVE TOWARDS TO TRUCK!!!
